### Food Vendor Application & Information

The Elmira Street Painting Festival is fast becoming Downtown Elmira's premier event! Every July, over 75+ artists and thousands of people take part in this downtown community festival. The festival includes a wide variety of events, activities, food and entertainment, as well as the spotlighted street art. We are pleased to have the opportunity to invite you to submit your application for the 10th Annual Elmira Street Painting Festival. The Elmira Street Painting Festival food vendor area will be held on North Main Street, Riverfront Park, on West Water Street and throughout the Festival depending on our logistic needs.

#### Description of Vendors:

**Food Vendors** set up within a 10 ft. x 10 ft. space; food vendors who are cooking will be allowed an additional 10 ft. x 10 ft. space to be used for a cooking area (for a total space of 10 ft. x 20 ft.). Booth vendors must provide their own tables, chairs, and canopies or tents.

**Concessions Trailers** are self-contained mobile units which require an area larger than 10 ft. x 20 ft.

#### Health Department:

**IMPORTANT:** You must complete and return the "Application to Conduct a Special Event Facility" and the "Food Booth Worksheet" to Elmira Downtown Development along with your food vendor application. All food vendors need to have a current food service permit issued to you from the Chemung County Health Department. **Please include a copy of your permit with your application.** You may obtain one from the Chemung County Department of Public Health. If you have any questions about the regulations, or if you need to obtain a permit, call the Chemung County Health Department at 607-737-2028.

#### Insurance:

**IMPORTANT:** All food vendors must submit a certificate of insurance naming Elmira Downtown Development and the City of Elmira as additionally insured. **Please include your certificate of insurance with your application!** In order for your application to be considered, it MUST be accompanied by a copy of your insurance!

## **ELECTRICITY:**

Power is available for an additional fee and will be provided **only** to those exhibitors who paid for electricity in advance. **NOTE:** In the past, we have experienced problems with vendors who have used more power than they initially requested. This trips the breakers and causes many problems and delays that we would like to avoid! To help ensure a smooth and safe event for everyone, in the space provided on your application, please give a detailed description of everything you are planning to plug in. Please also note that every vendor is responsible for covering all cables and wires in his or her booth by using wire mats or covers and any cables or wires running into your booth **MUST** be covered at all times! Extension cords, splitters, etc. will **NOT** be provided. Please plan on bringing a minimum of 100 ft. of extension cords to the event and make sure that you have come prepared with power strips, or any additional equipment you may require. Approved vendors must use a 12/2 - gauge power cord, which must be at least 100 ft. long. Only one (1) connection to the power board is permitted. Where a power cord crosses a sidewalk, it must be secured by duct tape or some other material so as to avoid injury.

**Power fee:** \$15.00 per day in addition to the initial vendor fee.

## **Menus:**

On your application, list all the food items that you are planning to serve. Please note the following:

- \* All menu items are subject to review and acceptance.
