Support Local Artists

Chalk it up for our Youth is a summer workshop open to all students in grades 3 through 12. Students will take part in a hands-on study in the art of street painting. Participants will receive instruction and assistance from local artists, as well as local art teachers.

With an educational twist incorporated – during the four Saturday sessions, students will have the opportunity to practice using the sidewalks of downtown Elmira as their canvas, resembling the actual street painting process.

The end result will be the students participation in the 14th annual Elmira Street Painting Festival, where they will have the opportunity to showcase their works of art.

Join us for a fun-filled educational experience in which students will be encouraged to advance their artistic abilities, explore their self-expression and participate in Elmira's signature summer art festival.

The dates are June 5th, 12th, 19th, and 26th.
